

Teen/Parent Practice Log

Louisiana's Graduated License Program requires that a learner permit holder (15-17 years old) complete a minimum of 50 hours of behind-the-wheel driving, 15 hours of which must be driven at night. A driving log is a great way for parents and teen drivers to keep track of these hours. Here's a template you can use to log your hours:

Teen Driving Log

Driver's Name: _____

Permit Issued On: _____ (Date)

Date	Time Start	Time End	Total Hours	Day/Night	Weather Conditions	Supervising Adult	Driving Skills Practiced	Observations/Notes

Total Daytime Hours: _____

Total Nighttime Hours: _____

Total Hours Driven: _____ (Minimum 50 hours required)

Student Certification _____ Date _____

Parent Certification _____ Date _____
